CORAM : F.I. REBELLO,
ANOOP V. MOHTA,JJ.
DATED : 10th April, 2006

P.C.

. Petitioners averred that their structures are in the property identified as Anand Nagar on CTS No. 175. It appears that earlier The Adarsh Rahivasi Sangh and another had approached this Court by filing a petition which was numbered as Writ Petition No. 1459 of 1997. That was disposed of on 16.12.1997 in terms of minutes of the order. Para 3 of the minutes provides that respondents which include Mumbai Municipal Corporation, shall conduct a survey of the entire Anand Nagar and shall prepare a separate list of the structures which were in existence prior to 01.01.1995 and also those after 01.01.1995. That

being the case, the present petition being in respect of the area known as Anand Nagar is premature and accordingly disposed of.
